

Regional Meeting

October 2006

Cynthia Wesolowski
Kristen Schario
Kenneth Wright

Accomplishments

- Points of Contact (POC) list created and updated twice (last revision October 2006)
- Newsletter published each quarter
- Website updated with:
 - Opportunities (monthly)
 - Newsletters (quarterly)
 - Revised POC list (semi-annually)
 - Links to regional labs, universities, economic development agencies, and other Technology Transfer (T2) organizations
- Region now has its own domain www.flcmidwest.org (old domain will still work)

Regional Meeting

- August
- Locations?
 - Chicago (again)
 - Cincinnati (largest concentration of labs)
 - Peoria
 - Madison
 - Detroit
 - Crane
- Agenda items?

Other Efforts

- Do you have recommendations for:
 - Conference or event attendance?
 - SAE Motorsports in December?
 - News articles or success stories?
 - Partnerships that the Region should pursue?
 - Partnerships for individual laboratories?
 - Assistance for specific technologies?

Feedback

What do you want to see the region do in the next year?
